

The Heating Specialist

Service Department: 503-257-7000

Office Hours: 7:30-4:30 M-F

Please note that moving forward you will need to contact THS directly with any questions, service requests and/or complaints.

To all Cardinell View Lofts Unit Owners:

All (heat/AC) matters moving forward need to be corresponded through our office. This includes all warranty issues and all other related issues. Our system needs to track these calls and we can expedite service quicker.

Our service Department phone number is 503-257-7000 and office hours are 7:30-4:30 M-F.

Now that the installation has been completed Management & the Board will no longer be needed to assist in communications between the owners and THS.

Also, remember you can access all manuals for the mini splits at www.CardinellView.com. Many error message questions can be answered there.
